Dear Malcolm

Thank you for your letter of 11 December 2018 providing us with information on the revised Bill. We note your comments on the benefits of modernising trust law and in particular your suggestions about further consultation.

We continue to give full consideration to the Commission's Report on Trust Law (SLC No 239). The Cabinet has not yet taken a decision on the content of the Government's next legislative programmes but I will endeavour to keep you updated on our plans for delivery of Scottish Law Commission Bills.

Ash Denham
