Dear Sirs,

Tenth Programme of Law reform : Consultation

Thank you for your letter dated 26th April 2017 inviting HIE to suggest topics or areas of law that might be suitable for inclusion in the Tenth programme of Law Reform commencing in January 2018..

Having considered the position, we do not have any suggestions or comments to make at this time.

We would, however, welcome the opportunity to participate in any Consultations on specific topics such as e.g. the Freedom of Information (Scotland) Act 2002, should such a review be undertaken at some point in the near future.

Your faithfully,

Alison Lyner
HIE Solicitor
